NOTICE

TAKE NOTICE that, by Order in Council No. 41, approved January 9, 1962, as amended by Order in Council No. 1269, approved May 10, 1962, made in accordance with the provisions of the *Land Act*, rights-of-way over certain Crown lands were granted to Western Pacific Products & Crude Oil Pipelines Ltd. and Westcoast Transmission Company Limited (hereinafter called the "Companies") for the purpose of constructing and operating pipe-lines, which lands are more particularly described as the Crown lands shown outlined in red on Plans O-WD-4000-7 R7, O-WD-4050-7 R6, O-WD-4100-3 R3, O-WD-4100-4 R7, O-WD-4100-5 R6, O-WD-4100-6 R6, O-WD-4150-1 R6, O-WD-4200-1 R7, O-WD-4200-6 R3, O-WD-4300-2 R4, O-WD-4300-3 R4, O-WD-4350-2 R5, O-WD-4400-4 R6, O-WD-4450-7 R4, O-WD-4450-8 R5, and O-AB-4250-1 R5 on file in the Department of Lands, Forests, and Water Resources and in the Land Registry Office at Kamloops, B.C.:

That the Companies have submitted it would be expedient and in the interest of all concerned if the titles conferred by the grant could be registered under the provisions of the *Land Registry Act*:

That the *Land Registry Act* permits registration of these estates only where the title of Her Majesty appears in the register, and accordingly the Legislature has endowed the Lieutenant-Governor in Council with power to make regulations permitting and governing the registration of these estates as enacted by section 258 (2) of the *Land Registry Act*:

That the grant has been issued on the basis that when and as soon as the Companies shall have laid the initial pipe in the exercise of the authority granted to them by the said Order in Council the rights, licences, liberties, privileges, and rights-of-way granted by the said Order in Council shall thereupon and thereafter be confined and restricted as provided in the said Order in Council:

And, therefore, His Honour the Lieutenant-Governor in Council has been pleased to order that, under the provisions of the *Land Registry Act* and all other powers thereunto enabling, the following regulations be made:—

1. A grant of the right-of-way in favour of the Companies shall be transmitted to the proper Land Registry Office, and when received the Registrar shall enter Her Majesty as the owner of the lands described in the grant in the register and, upon application being made for the registration of the title of the Companies to the right-of-way and upon compliance with the provisions of the *Land Registry Act* and of these regulations in so far as they are applicable, shall register the title by endorsing a memorandum thereof on the register; provided that the boundaries of the land described in the grant and in the register shall be subject to amendment to conform with the boundaries as defined by the final plan, as under Regulation 3, and in accordance with the procedure prescribed under Regulation 4.

2. When and as soon as the Companies have laid the initial pipe, the right-of-way shall be reduced in width as provided in the said Order in Council.

3. Within eighteen months after the completion of the construction by the Companies of the initial pipe, a final plan of the right-of-way shall be prepared by the Companies in accordance with the regulations which the Surveyor-General has issued or may issue, and copies of such plan shall be deposited with the Surveyor-General as he may require. The Surveyor-General shall, after approval, transmit the necessary approved copies of the plan to the proper Land Registry Office for deposit.

4. When the final plan has been deposited in the proper Land Registry Office, the Registrar shall amend the register which shows Her Majesty's title to the land comprising the right-of-way and the title of the Companies by striking out the description of the lands therein and substituting therefor the description of the lands according to the final plan, and shall endorse a note of the Order in Council on the register; the latter description shall limit and govern the boundaries of the right-of-way and shall

relate back to and have the same force and effect as if that description were contained in the original grant of the right-of-way and registered in the register.

LANDS, FORESTS, AND WATER RESOURCES

NOTICE

In the Matter of the Request for a Pulpwood Harvesting Area under Section 17A of the Forest Act and the Public Hearing of the Submission of Canadian Forest Products Ltd. Held at Prince George, B.C., on June 6, 1962.

UNDER authority invested in me under section 17A of the *Forest Act* as Minister of Lands, Forests, and Water Resources, a public hearing was held on June 6th in the Courthouse at Prince George, B.C.

At the hearing Canadian Forest Products Limited presented to me proposals for the establishment of a pulp operation in the Prince George Forest District. This operation to include the establishment of a fully bleached kraft pulp mill with an initial capacity of 500 tons per day with a possible expansion to 1,000 tons per day and the utilization of the pulpwood from the following public working circles and sustained-yield units: Parsnip, Crooked River, Carp, Stuart Lake, Westlake, Naver, Big Valley, Willow River, and Nechako.

In support of this proposal, statements were made by the following groups or individuals:—

- (1) The Mayor and Council of the City of Prince George, represented by Mr. Harry Loder, Acting-Mayor, and Mr. Thomson, municipal manager.
- (2) Prince George Chamber of Commerce, represented by Mr. Alex. Clark.
- (3) Prince George and District Industrial Development Commission, represented by Mr. H. Moffat.
- (4) Northern Interior Lumbermen's Association, represented by Mr. Gallagher, manager.
- (5) Eagle Lake Sawmills Limited and Penny Spruce Mills Ltd., represented by Mr. G. Brownridge, general manager.
- (6) Clear Lake Sawmills, represented by Mr. H. Roine.
- (7) Western Plywood (Cariboo Ltd.) Limited, represented by Mr. Pit Desjardins.
- (8) Mr. A. Cliff.

Two requests were received for me to withhold my decision.

The first was from Northern Kraft Limited, which requested an estimated sixty days in which to submit its proposals. On questioning, it became apparent that it would in fact be a separate overlapping proposal covering the Willow River and Big Valley Units.

Inasmuch as the proposal to be submitted by it would not be for the area contained in the advertisement of this hearing, and in view of the fact that no evidence whatsoever was submitted to show that the entire area was not required, considering the risks and uncertainties involved, to enable Canadian Forest Products to carry out the undertakings made in its proposal, I can see no useful purpose being served by a stay of sixty days.

The second was from Noranda Mines (Northwood Mills Ltd.), which requested a six months' adjournment on the grounds that this was a premature hearing because, due to the uncertainties of marketing and financing, neither Canadian For-

est Products nor Noranda Mines (Northwood Mills Ltd.) are in a position to offer a firm proposal which could be signed should the pulpwood harvesting area be granted.

I cannot accept this argument because, in fact, a firm proposal has been placed before me offering the posting of a performance bond of \$500,000, and it is not within my jurisdiction to pass judgment as to whether or not this offer has been made prematurely.

After considering the facts brought before me at the hearing, I am satisfied with the terms and conditions of the proposal submitted by Canadian Forest Products Limited.

Pursuant to section 17A, subsection (1) (d), I herewith designate the area within Stuart Lake, Westlake, Naver, Willow River, and Crooked River Public Working Circles and Nechako, Big Valley, Parsnip, and Carp Sustained-yield Units to be Pulpwood Harvesting Area No. 1. I further propose to grant to Canadian Forest Products Limited an option to purchase the pulpwood from the above-designated pulpwood harvesting area subject to an agreement satisfactory to me.

*Minister of Lands, Forests,
and Water Resources.*

Excerpt from Standing Orders Relating to Private Bills

100. (1) All applications to the Legislative Assembly for Private Bills of any nature whatsoever shall require the publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf of the applicant.

(2) Such notice shall be published in The British Columbia Gazette and once a week in one leading daily newspaper freely circulating in all parts of the Province. The notice in such newspaper to appear on Wednesday of each week.

(3) When the proposed Bill is of such a nature that it may particularly affect one or more electoral districts, the notice shall furthermore be published once a week if possible in some newspaper in every electoral district affected, or if there be no newspaper published therein, then in a newspaper published in the electoral district nearest thereto.

(4) The publication of such notice shall in all cases be continued for a period of four weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

97. No petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no motion for the suspension or modification of this Standing Order shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with the consideration of Private Bills, who shall report thereon to the House. And if this rule shall be suspended or modified as aforesaid, the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the petition has been received after the time hereinbefore limited, shall in either case pay double the fees required in respect of such Bill by this rule, unless the House shall order to the contrary.

(2) At the time of depositing the Bill and petition the applicant shall also pay to the Clerk of the House the sum of three hundred dollars.

(3) If a copy of the Bill, petition, and notices proved as aforesaid shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session or if the petition has not been presented to the House within the first ten days of the

Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees shall be returned.

101. Every petition signed by an agent or attorney in fact shall be accompanied by the authority of such agent or attorney in fact, and the petition shall not be deemed to be filed with the Clerk until this is done.

102. Before any petition praying for leave to bring in a Private Bill for the erection of a toll-bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Standing Order 100, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts or vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

103. (1) All Private Bills for Acts of incorporation shall be so framed as to incorporate by reference to the clauses of the general Acts relating to the details to be provided for by such Bills: Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the general Act is proposed to be departed from. Bills which are not framed in accordance with this Standing Order shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

(2) Every Bill for an Act of incorporation, where a form of model Bill has been adopted, shall be drawn in accordance with the model Bill (copies of model Bills may be obtained from the Clerk of the House). Any provisions contained in any such Bill which are not in accord with the model Bill shall be inserted between brackets or underlined, and shall be so printed.

(3) Any exceptional provisions that it may be proposed to insert in any Bill shall be clearly specified in the notice of application for same.

107. All Private Bills shall be prepared by the parties applying for the same, and printed in small-pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring 10¾ inches by 7½ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

In the case of Bills to incorporate companies, in addition to the fee of \$300 mentioned in Rule 98, fees calculated on the capital of the company are payable at the same time. Further particulars can be had on application to the undersigned.

All cheques in payment of fees must be certified.
